RESOLUTION No. 8

OF THE UNIVERSITY COUNCIL FOR THE COORDINATION OF FOREIGN LANGUAGE TEACHING AND LANGUAGE PROFICIENCY CERTIFICATION

of 23 September 2022

on the recognition of certificates issued by third-party institutions confirming the level of language proficiency

Pursuant to § 13, section 2, point 11 of the appendix to Resolution No. 103 of the Senate of the University of Warsaw of 17 November 2021 on the rules and regulations for conducting foreign language courses and performing foreign language examinations at the University of Warsaw (UW Monitor of 2021, item 285), the University Council for the Coordination of Foreign Language Teaching and Language Proficiency Certification, hereinafter referred to as the "Council", resolves as follows:

§ 1

In the case of the more commonly taught languages (i.e. English, French, Spanish, German, Russian and Italian), the certificates issued by the third-party certification institutions exempt from the obligation to pass the certification examination confirming the level of language proficiency, as specified in Appendix No. 1 to this Resolution. The certificates of examination passed listed in the appendix are also recognised, provided they were issued by a particular certification institution, and provided they include information on achieving a given level of language proficiency.

§ 2

In the case of languages less frequently taught, the certificates issued by the third-party certification institutions exempt from the obligation to pass the certification examination confirming the level of language proficiency, as specified in Appendix No. 2 to this Resolution. For other certificates of at least B2 level and which are not listed in Appendix No. 2, the Chairperson of the Council expresses an opinion on the equivalence of a certificate with the UW certification examinations at a given level, upon an application filed by the student and upon a recommendation of the Coordinator of the University System of Language Provision and specialists in the language concerned. The certificates of examination passed listed in the appendix are also recognised, provided they were issued by a particular certification institution, and provided they include information on achieving a given level of language proficiency.

§ 3

A diploma of graduation or a supplement to a diploma of graduation in a field of studies in which, in accordance with the programme of studies, the student achieved learning outcomes in language training of at least C1 level, shall also be accepted as a certificate confirming language proficiency.

§ 4

If an external examination is deemed equivalent to the University of Warsaw certification examination, the student has the right to enter a credit into the University USOS system. In such a case, the result of the external examination shall not be converted into the grading scale used at the University of Warsaw.

§ 5

The Resolution of the University Council for the Coordination of Foreign Language Teaching and Language Proficiency Certification of 23 May 2022 on the recognition of certificates issued by third-party institutions confirming the level of language proficiency (DRKNJOCBJ of 2022, item 5) is hereby repealed.

§ 6

This Resolution shall enter into force on the day it is signed and shall apply from 1 October 2022.
